The mission of Antelope Valley Medical Center is devoted to providing innovative, heartfelt care for the well-being of everyone in our community. Our employees dedicate themselves to providing compassionate care and pledge the highest support to those we serve. Visitors and family are an integral part of the healing process and we encourage that caring environment by offering visitation hours at any time, Monday-Sunday.

Visitor Information

Visitors with a cough, cold, fever, sore throat or any contagious disease are asked to delay their visit until they are feeling better.
