**The Desert Course at Sand Canyon Country Club**

## **About the Tournament**

**The tournament raises much needed funds to support enhanced healthcare options for the Antelope Valley. This year's golf tournament proceeds benefit Antelope Valley Hospital's Greatest Need.**

The Antelope Valley Hospital Foundation mission is to raise funds for the hospital's current needs and long-range growth.

Since its founding, the foundation has granted more than \$6 million to hospital programs and services. The foundation's grant-making ability depends upon charitable contributions and fundraising events.

Your support will allow us to respond to the increased need of our growing community. Every dollar raised helps make a significant difference.

**For more information, please contact Theresa Lemus at 661-949-5810 or send an email to [theresa.lemus@avhospital.org](mailto:theresa.lemus@avhospital.org)**

**We expect to sell out this year, so, please register as early as possible!**

## **Tournament History**

Now in its 18th year, the tournament has successfully raised much need funds and awareness for important health-related causes.

In the last 17 years, we have raised over \$1.5 million supporting such programs as the neonatal intensive care unit, mental health, the emergency department and more!

This year's tournament will be played on the Valley, Desert and Mountain courses at Sand Canyon Country Club. Nestled at the base of the San Gabriel Mountains, the club offers breath taking views of the Santa Clarita Valley.

Whether you are a novice or experienced golfer, you will enjoy a day of play while raising money for a great cause!

Antelope Valley Hospital Foundation exists to build healthy communities by supporting programs and services that enable Antelope Valley Hospital to provide quality care to those we serve.

Antelope Valley Hospital, the only full-service, acute-care hospital in the Antelope Valley, has been delivering exceptional care to the community for 65 years. It offers the region's only Trauma Center, Pediatric Unit, NICU, Inpatient Mental Health Care, Labor and Delivery, Accredited Chest Pain Center/STEMI Receiving Center, Advanced Primary Stroke Center and Comprehensive Community Cancer Center. More information is available by calling 661-949-5000.
