About the Tournament

The tournament raises much needed funds to support enhanced healthcare options for the Antelope Valley Medical Center. This year's golf tournament proceeds benefit Antelope Valley Medical Center's Greatest Need.

The Antelope Valley Medical Center Foundation mission is to raise funds for the hospital's current needs and long-range growth.

Since its founding, the foundation has granted more than \$6 million to hospital programs and services. The foundation's grant-making ability depends upon charitable contributions and fundraising events.

Your support will allow us to respond to the increased need of our growing community. Every dollar raised helps make a significant difference.

please register as early as possible!**

Tournament History

Now in its 19th year, the tournament has successfully raised much need funds and awareness for important health-related causes.

In the last 18 years, we have raised over \$1.7 million supporting such programs as the neonatal intensive care unit, mental health, the emergency department and more!

This year's tournament will be played on the Valley, Desert and Mountain courses at Sand Canyon Country Club. Nestled at the base of the San Gabriel Mountains, the club offers breath taking views of the Santa Clarita Valley.

Whether you are a novice or experienced golfer, you will enjoy a day of play while raising money for a great cause!
